

Pappas Telecasting  
Companies' donation  
of free airtime to  
Republican  
candidates is  
illegal and I  
personally resent  
this dishonest use  
of the public  
airways.

I want to hear  
honest debate and  
the facts from both  
sides so that I can  
make an educated  
vote.

Pappas uses the  
public airwaves for  
free and is  
therefore obligated  
by law to serve the  
public interest.
